Changes to Services 37 and 38 from Sunday 24 March 2024

So as to improve reliabilty, there are some timetable changes. Monday to Friday morning buses are revised to generally operate slightly earlier, and afternoon buses are revised to generally operate later.

By making these changes, buses will be able to respond more quickly to the ongoing traffic congestion issues we are experiencing along the line of these routes, including West Road, Corner House, Cradlewell By Pass and Benton Park Road.

Overall frequencies continue unchanged, with buses combining to operate up to every 10 minutes between Whickham View and Freeman Hospital, with buses then continuing up to every half hour to Killingworth and Cramlington as Service 37, or as Service 38 to Forest Hall Meadway.
